# INTRODUCTION

Thank you for your interest in the Arts Council of Northern Ireland's Health and Safety Capital Programme.

These guidance notes give information on who is eligible to apply to the programme and how to submit an application. It also describes how your application will be assessed, how decisions are made and what you will be asked to do if you are awarded a grant.

This document and the relevant application form are available on request in large print format and disk and also on the Arts Council's website: <http://www.artscouncil-ni.org>

## IS YOUR PROJECT TIMEFRAME SUITABLE?

You should only apply to this programme if you will be able to complete the procurement, purchase and delivery of your requested items of equipment from notification of award and 16 March 2022. Similarly, if you are applying for minor works costs, all work must take place and be completed from notification of award and 16 March 2022. Eligible expenditure can only be incurred within this timeframe. If you are unable to meet these conditions, you should NOT apply to this scheme as the Arts Council will not meet any costs incurred outside this period.

## AIMS OF THE HEALTH AND SAFETY CAPITAL PROGRAMME

The Arts Council has designed this programme to enable organisations to purchase equipment and/or carry out minor works to their premises which will address any health and safety issues that has been created due to Covid-19 or has been an outstanding maintenance issue which has rendered the space not fit for purpose.

We want to support organisations across Northern Ireland to reopen their creative spaces in a safe manner. We want to ensure that organisations have proper measures in place to welcome the return of their staff, artists and audiences. We also want to support organisations in their delivery of the arts in new and creative alternatives.

Particular priority will be given to equipment and minor works which

- address Covid-19 requirements;
- improves the accessibility of the arts;
- continues the safe practice for continued accessibility of the arts;
- improves the environment for the arts sector;
- enhances or broadens the audience/participants' experience

# INTRODUCTION

## HOW MUCH FUNDING IS AVAILABLE?

The Health and Safety Capital Programme budget is £750k. Please keep in mind that the amount of money available is limited and demand for funds is likely to be extremely high. It is not usually possible to fund all applications which simply meet the criteria or to fund the entirety of any given request.

We will aim to distribute our funds as widely as possible and may take account in the assessment of your application of the level of support you have previously received or are currently receiving, as well as your organisation's management of any previous grants.

- You should be realistic in your expectations and budgets and bear in mind that the Council may choose to fund specific elements of your proposal rather than the full request.
- You may apply for multiple items of equipment<sup>2</sup> and/or minor works costs.
- You will need to provide at least 2 quotes for each requested item of equipment more if the value of the item is above £5,000 (**see pages 11 and 12 below**)
- If you are requesting more than one of any given item of equipment, only one set of quotes is necessary. For example, if you request 3 identical laptops which each cost £1,000, you only need to upload 2 quotes in relation to this; you do not have to upload 2 separate quotes for each of the 3 laptops.
- For minor works applications, you will need to provide a schedule of work, together with at least 2 quotations for each element of the work (**see page 12 below**), in addition to details of your lease.
- We will not pay VAT on any expenditure incurred by VAT registered organisations with the ability to reclaim VAT costs.
- Remember that the grant will be paid **retrospectively** on production of invoices/receipts.
- Once awarded, grants cannot be increased.

## HOW MUCH PARTNERSHIP FUNDING DO YOU NEED?

Only local authorities must provide partnership funding. The minimum partnership funding provided by such organisations is 50% in cash from non-Arts Council sources (in kind contributions will not be considered).

For all applicants, the assessment process may take into account the other funds you are able to bring to the project and this may influence the outcome of the assessment.

---

<sup>2</sup> Please note, this does not mean that you can submit multiple applications. Only one application per organisation will be accepted.

## AFTER YOU SUBMIT YOUR APPLICATION

- The Arts Council will undertake an eligibility check on your application form and either issue an acknowledgement receipt of the application **or** notice of ineligibility.
- The application will be assessed by an Arts Development Officer. This process will be based on the information provided in the application form and enclosures, and on our knowledge of your organisation's management of any previous awards.
- Officer assessments will be subject to a moderation process.
- The Arts Council will contact you with the final decision by letter.
- If your application is rejected, the Council will provide you with detailed reasons for the rejection.

# HOW WE WILL MAKE OUR DECISION

## ASSESSMENT CRITERIA

We will assess your project against the following criteria:

**Criterion 1:** Health and Safety and/or Covid-19 related benefits

**Criterion 2:** Public Benefit

**Criterion 3:** Track Record

**Criterion 4:** Financial viability and quality of management

It is very important that you think carefully about how your project satisfies these criteria and use the application form to demonstrate this to us. Your project must meet all the programme criteria.

Criterion 1 – Health and Safety and/or Covid-19 related benefits: You should detail how the request will address the needs of your Organisation. If there are any requested items in response to Covid-19 this should be stated also.

Criterion 2 - Public Benefit: You should detail how the equipment / minor works will benefit your audiences/participants/artists.

Criterion 3 – Track Record: You should detail what your organization does and its track record working in the publicly funded arts and cultural sector.

Criterion 4 - Financial Viability and Quality of Management: This will be assessed using the financial information and quotes you provide with the application. If you are a previous ACNI grant recipient, we may also use our knowledge of your organisation's management of previous Arts Council grants.

## HOW ARE DECISIONS MADE?

All applications will be assessed by an Arts Development Officer against the criteria as listed above, taking into account the programme's aims and priorities. Officer recommendations are then subject to a moderation process. Depending on the level of award, final decisions will be made by Grants Committee or Arts Council Board.

Please note that where the funding programme is over-subscribed, Arts Council reserves the right to prioritise those applications where the requested equipment and/or minor works is in response to Covid-19 restrictions.

## IS THE ARTS COUNCIL DECISION FINAL?

There is a review procedure, which is available on the web site and will be sent out to any unsuccessful applicants.

# IF YOU RECEIVE AN AWARD

## LETTER OF OFFER

Following the decision, successful applicants will be issued with a contract outlining the conditions attached to the award and the specific purposes for which the award can be used.

- You will not be able to incur project expenditure until you have met certain conditions of grant and received your letter of offer from the Arts Council. You should take this into account when planning your project.
- It is important that you read the letter of offer and enclosed conditions carefully before signing and returning it. The letter of offer will set out what you may spend the grant on and by what date the project must be completed.
- **If there are any changes to your project from the original application, the Arts Council must be informed immediately in writing before any project expenditure is incurred.** If you don't tell us about changes you may have to repay the award and this will affect decisions on any future applications you might make.

## HOW PAYMENTS WILL BE MADE

All payments will be made retrospectively against invoices or proof of expenditure. Payments will be made by BACs transfer only. You will need to complete and return the BACs form issued with your letter of offer.

## PROCUREMENT OF GOODS AND SERVICES

Applicants must seek the best value for money in relation to all proposed equipment purchases and minor works; best value for money is defined as the most advantageous combination of cost, quality and sustainability to meet your requirements.

Successful applicants must ensure that any purchases made with grant funds are in compliance with the guidance on procurement as stated in their Letter of Offer and as reproduced on pages 11 and 12 above. They must also maintain a clear audit trail of robust decision-making and retain all appropriate procurement documentation. The Arts Council will reserve the right to inspect this documentation at any point, and it will be specifically requested should your project be selected for a Verification Visit.

# IF YOU RECEIVE AN AWARD

## POST-PROJECT MONITORING

- At the end of the project you will have to submit an End of Project Report on a pre-supplied form. On this form you will have to give details of the final income and expenditure for the project.
- At a set date following project completion, you will be required to complete a survey reflecting how and to what extent the new equipment/minor works has impacted on the provision of arts services within your organisation.
- **Verification Visits** - Your project may also be subject to a verification visit by ACNI staff to ensure that the project grant has been spent as agreed in your letter of offer and that all processes (eg. procurement, processing of payments within your organisation) related to project delivery were in compliance with LOO conditions and your own stated financial procedures. It is therefore important that you retain all the project documentation which evidences this.

The Arts Council will retain a financial interest in the equipment purchased for a period of between 5 and 10 years, dependant on the type of equipment purchased. **You will not be able to dispose of any equipment within that time period, which will be stated in your letter of offer, without the Council's approval.**

## CHILDREN / YOUNG PEOPLE / ADULTS AT RISK

It is a requirement of ACNI funding that any organisation which comes into contact with children, young people and adults at risk, either directly through its programmes or indirectly through its services, must agree to a Safeguarding Commitment which must have been formally approved by your organisation.

Organisations that work with children, young people and adults at risk need to ensure that their safeguarding systems and procedures adhere to best practice. Please see the information below to consider in relation to your own organisation's procedures and note that you must agree the safeguarding commitment statement as part of your application form:

If your safeguarding policy and procedures are older than 3 years please review and update them to ensure your policy and procedures are in line with best practice and legislation relating to protection issues. If you are successful in obtaining a grant, the Arts Council may, as part of its monitoring processes, ask to see these documents during the incoming year.

# IF YOU RECEIVE AN AWARD

## **EQUALITY OF OPPORTUNITY**

It is a requirement of our funding that your organisation commits to equality of opportunity and good relations duty.

The Arts Council of Northern Ireland has a statutory duty under the Northern Ireland Act 1998, in carrying out its functions to have due regard to the need to promote equality of opportunity between all Section 75 groups and you will note that you must agree an Equality of Opportunity and Good Relations policy statement as part of your application form.
