INTRODUCTION

Thank you for your interest in the Arts Council of Northern Ireland’s Minority Ethnic Artists Mentoring and Residency Programme.

These notes give information on who is eligible to apply to the programme and how to submit an application. It also describes how your application will be assessed, how long it will take, how payments will be made and what you will be asked to do if you are awarded a grant.

These Guidance Notes and the relevant application form are available on our website here. They may also be requested in large print or other accessible formats if required. Please contact us at artgrants@artscouncil-ni.org if you need further assistance in this regard, including alternative language versions.

AIMS OF THE PROGRAMME

The Arts Council of Northern Ireland recognises and welcomes the diversity within our society.

In working to create the conditions for the widest variety of art and creativity for both artists and audiences, we are seeking to address the numerous and complex barriers to access, progression and representation in the arts encountered by minority ethnic artists.

These awards have been informed by the Arts Council’s Intercultural Arts Strategy and framed within our Five Year Strategy Inspire Connect and Lead. Our aim is to support individual artists and creative practitioners from minority ethnic backgrounds and migrant backgrounds at every stage of their career.

Through this Minority Ethnic Artist’s Mentoring and Residency Programme we wish to create opportunities for specialized training, research, cultural exchanges, networking and learning for individual artists, creative practitioners and arts administrators from minority ethnic and migrant backgrounds.

Programme Aims:

- Support workforce skill development and career pathways for artists of all ages from minority ethnic and migrant backgrounds.
- Inspire excellence through the support of high-quality, ambitious, innovative and imaginative opportunities for artists to collaborate with others.
- Increase the capacity and opportunities for artists to take professional and creative risks.
INTRODUCTION

- Contribute to a vibrant and diverse workforce across the breadth of the creative and cultural industries.

- Increase opportunities for young and emerging minority ethnic artists

Specifically, the scheme will fund residencies and mentoring opportunities through which applicants can develop their creative and professional practice.

Applicants are invited to shape a programme of support, tailored to their own needs and through wider collaboration.

Mentoring awards would typically work on a planned programme of professional training and development supported by an artist or arts professional aimed at developing creative practice through new creative or business skills, expanding knowledge and developing new networks.

Residencies would partner with arts venues or organizations and may include opportunities to develop and showcase new work, collaborate with other artists or resident companies or work on outreach projects.

In the context of the pandemic both the Mentoring and Residences can be planned as live, virtually, or through a blended approach which opens up exciting opportunities to work with artists and organisations outside of Northern Ireland.

- Eligible applications will be assessed by an Arts Development Officer, based on the information provided in the application form and enclosures.
- Officer assessments will be subject to a moderation process.
- The Arts Council will contact you with the final decision by letter by email. If rejected, the Arts Council will provide you with detailed reasons for the rejection.
IF YOU RECEIVE AN AWARD

LETTER OF OFFER

Following the decision, Arts Council will issue successful applicants with a contract outlining the conditions attached to the award and the specific purposes for which the award can be used.

- You will not be able to incur expenditure until you have received your letter of offer from the Arts Council. You should take this into account when planning your proposal.
- It is important that you read the letter of offer and enclosed conditions carefully before signing and returning it. The letter of offer will set out what you may spend the grant on and by what date the proposal must be completed.
- If there are any changes to your agreed project from the original application, you must inform the Arts Council immediately in writing before incurring any proposal expenditure. If you don’t tell us about changes you may have to repay the award and this will affect decisions on any future applications you might make.

HOW PAYMENTS WILL BE MADE

Payments are normally made in stages of 90% and 10%. Each stage will have specific conditions attached to it; your letter of offer will set out these specific conditions and you must comply with them prior to the drawdown of each tranche of funding.

The Arts Council will make payments to UK-based bank accounts in the applicant’s name only, or to joint accounts where the applicant is a named account holder. Payments are by BACS transfer only. You will need to complete and return the BACS form issued with your letter of offer.
IF YOU RECEIVE AN AWARD

POST-PROJECT MONITORING

At the conclusion of your project, you will have to submit an End of Project Report and provide a final income and expenditure account for the project, in addition to evidencing the appropriate use of Arts Council and National Lottery branding throughout the course of project delivery. The project report will include:

- Details of the how the project has benefited you
- Evidence of appropriate use of Arts Council and National Lottery branding where relevant
- An evaluation of the project – was it successful? Did you meet your aims? etc.

We may discuss with you how this information is to be collected.

POST-PROJECT MONITORING – Verification Visits

Your project may also be subject to a Verification Visit by an Assistant Arts Development Officer or other ACNI staff member. This will ensure that the project grant has been spent in accordance with your letter of offer. It is therefore important that you retain all the project documentation to evidence this.
