

Young People & Wellbeing Arts Programme

## How to acknowledge your grant

### Logos:

Congratulations on receiving a grant through the ARTiculate Young People & Wellbeing Arts Programme. It is a condition of accepting your grant that you now acknowledge the fund and the funding bodies, which are:

- Arts Council of Northern Ireland through its National Lottery Fund
- Public Health Agency

You must acknowledge this funding by including the two logos and the following sentence of acknowledgment on all associated promotional and press materials, including your website:

#### Sentence of Acknowledgment:

Supported by the ARTiculate Young People & Wellbeing Arts Programme, funded by the Arts Council of Northern Ireland and the Public Health Agency.

Logos (to be included under the Sentence of Acknowledgment):

#### PRINCIPAL FUNDERS

**LOTTERY FUNDED**

Project supported by the PHA

### Where to find the logos:

A section of the Arts Council's website is dedicated to the ARTiculate Young People & Wellbeing Arts Programme. You will find all information relating to the programme there:

[artscouncil-ni.org/funding/logos-branding](https://artscouncil-ni.org/funding/logos-branding)

- Click the 'Funding' tab at the top of the website page
- Select 'Logos and Branding' from the dropdown menu

#### Brand Guidelines:

- The Arts Council and the PHA have published guidelines on how to use their logos. These contain full details on usage, eg., size requirements and clearspace

#### Rule of thumb:

- Logos must be prominent and clearly visible
- Size and positioning of logos should reflect the size of the grant in relation to other funders

**If you are still unsure about the use of the logos, contact the Arts Council on:**

## What else you should do to acknowledge your grant:

### Launch Events

- Acknowledge your funders in the project leader's speech
- Display an ARTiculate pop-up banner (available free from the Arts Council)
- Offer a speaking opportunity to an Arts Council/PHA representative
- Offer a photo opportunity to an Arts Council/PHA representative

### Event Programmes

If you are producing an exhibition or event programme in association with your ARTiculate project, please consider the *overall* profile given to the Arts Council and PHA in relation to that of other funders / sponsors / partners – does it reflect the level of support given by your principal funders?

- Prominent logos
- Foreword by the Arts Council/PHA
- Advertising space
- Acknowledgement of the impact of your funding

### Press Releases\*

Newspapers will not include funders' logos in their articles, so please also include a sentence in the main body of your press release acknowledging your grant, eg:

- "Supported by the Arts Council of Northern Ireland National Lottery fund and the Public Health Agency through the ARTiculate Young People & Wellbeing Arts Programme."
- Please contact the Arts Council for a quote endorsing your project.

### Press and Broadcast Media Interviews\*

- Acknowledge your funders. Verbally use the line above "we are supported by..."
- If you are arranging media interviews, try to include an Arts Council/PHA representative

## \*Media Toolkit

The Arts Council has produced an accompanying 'Media Toolkit' which is designed to help you get the story of your project out to the public. The Media Toolkit offers guidance on contacting your local media, preparing press releases and social media.
